TEST PDF - REPLACE BEFORE PUBLISHING

This is a sample document for trying the website dashboard.
It contains no tax guidance or client information.

To use this article slot:

1. Open this article in the Insights dashboard.
2. Enter the final title, introduction, and publication date.
3. Choose the final PDF and confirm permission to publish it.
4. Save the draft, or select Publish when it is ready.

Replacing the PDF keeps the article page address unchanged.
